Notes

- The charges will be billed to your credit card as **CCAVENTRE.COM OR AVENUES INDIA PVT. LTD.**
- All prices are listed in Indian Rupees. If you use a non-Indian credit card, your bank will automatically convert to your home currency based on today's exchange rates.
- When you submit this order, the server will process your credit-card in about 5 seconds, but it may be longer at certain times.
- To avoid double charge, DO NOT press the Submit button more than once, or press the back or Refresh buttons.

Future Enhancements:

Application is developed with a framework that can mitigate any future development with ease. We plan for the following future developments:

1. Android Development : < 6 Months
2. iPhone Development : > 6 & < 8 Months
3. Windows 7 Development : > 8 & < 10 Months.

If fund aid is provided we would be developing in a minimum time of 3 – 5 Months maximum.

Technologies Utilized:

- Framework : Microsoft .Net 4.0
- Database : MS SQL 2008
- Language : C#
- Misc.: Javascript, HTML5, AJAX, etc.
- Architecture: SOA (Service Oriented Architecture)
